RE: 1996 12 Day Pre-Primary Report (4/1/96-6/19/96)  
Republican Majority Fund

Dear Ms. Barkley:

In regards to your letter about contributions that exceed set limits for candidates running for federal office, please find enclosed a replacement page for Page 1 of 1 for Line 23. The contribution to Montanans for Rehberg, was incorrectly disclosed and should have shown General. The contribution to Pat Roberts for U.S. Senate should have been shown as two separate entries, one for \$5,000 for the Primary and one for \$5,000 for the General.

Also, enclosed is an amended page for Page 28 of 28 for line 11(a)(I). We omitted a contribution from Dr. Glenn P. Dewberry, Jr. in the amount of \$200 which was why the sum of the entries itemized on Schedule A did not match the total on Line 11(a)(I) of the Detailed Summary Page. The figures on both of this pages were correct even with the omission of Mr. Dewberry's contribution.

The third question you raised about activity outside this reporting period has been corrected. We had an in-kind contribution made to us on March 28, 1996, but did not receive the bill for this activity until April 9, which is why we showed it on this reporting period. However, we have put this in-kind contribution on the previous report (1-1-96 thru 3-31-96) and have amended the detailed summary page and the summary page of that report to reflect these changes, which are enclosed. We also changed the summary page and detailed summary page of the 12 Day Pre-Primary report (4/1/96-6/19/96) to reflect removing the in-kind contribution from this report. These pages are enclosed.

This should address the questions raised in your correspondence.

Sincerely,

  
Rachel Pearson  
Treasurer
